Selecting Pullman Offices.

It is probable that Pullman offices will be located on West Temple street in the building formerly occupied by the Oregon Short Line offices. Super-intendents Wager and Twining made an inspection of the quarters there yesterday and appeared to be satisfied that it is the nest location obtainable. Assistant Superintendent Allen of Ogden was in the city yesterday and later in the day all three officials went to Ogden to look after the affairs of the company there.

MORE FOREST FIRES.

MORE FOREST FIRES.

Portland, Ore., Sept. 2.—Forest fires are raging in the northeastern part of Clark county, Washington, and considerable damage is reported up to this time. Fine tracts of timber are being destroyed, and the total loss from the flames will undoubtedly be heavy before the fall rains quench the fire. Twelve hundred cords of wood, the property of Frank Kubik of Woodlawn, have been burned.

He declares with emphasis that the reports that have been circulated regarding suffering and famine on the reservation are absolutely baseless. He charges that the reports have been wifully spread by trading companies for the purpose of securing a government appropriation and thus putting more money in circulation in the region. There has been some drouth on parts of the reservation, the agent says, but no stock has died. The Indians have secured all their crops and are unusually prosperous.
